The St. Luke's Indemnified Parties shall have the right to defend, compromise and settle any Government Claims and the Warren Entities shall continue to indemnify the St. Luke's Indemnified Parties with respect to such Government Claims pursuant to this Section 12.1.

12.2. Indemnification of Warren Entities by St. Luke's Entities.

(a) The St. Luke's Entities shall keep and save the Warren Entities and their directors, trustees officers, employees, agents and other representatives (the "Warren Indemnified Parties"), forever harmless from, and shall indemnify and defend the Warren Indemnified Parties against, any and all Damages whether direct or consequential and no matter how arising, in any way related to, connected with or arising or resulting from (i) any breach of any representation or warranty of the St. Luke's Entities under this Agreement, (ii) any breach or default by the St. Luke's Entities of any of their covenants or agreements related to the Transaction, or (iii) any other obligation or liability specifically assumed by the St. Luke's Entities in this Agreement. No provision in this Agreement shall prevent any St. Luke's Entity from pursuing any legal rights or remedies that may be granted to it by law against any Person other than the Warren Entities.

(b) The Warren Entities shall promptly notify the St. Luke's Entities in the event that any claim is made against any of the Warren Indemnified Parties for which the St. Luke's Entities have agreed to indemnify them as set forth in this Agreement, and the St. Luke's Entities shall thereupon undertake to defend promptly and hold the Warren Indemnified Parties free and harmless therefrom, using counsel satisfactory to the Warren Entities. Once the defense thereof is assumed, the St. Luke's Entities shall keep the respective Warren Indemnified Parties advised of all material developments in the defense thereof and in any related litigation, and such Warren Indemnified Parties shall be entitled at all times to participate in the defense thereof at its own expense. If the St. Luke's Entities fail to discharge or undertake to defend against any such liability within twenty (20) days after notice thereof, then the respective Warren Indemnified Parties may settle the same and shall provide notice of the terms thereof to the St. Luke's Entities within ten (10) days after settlement. The St. Luke's Entities' liability shall be conclusively established by such settlement (the amount of such liability shall include the settlement consideration and the reasonable attorneys' fees, costs and expenses incurred by the respective Warren Indemnified Party in effecting such settlement).

12.3. Indemnification Assistance.

(a) Any party entitled to indemnification hereunder (the "Indemnified Party") agrees to give the Party which would be liable for Damages to an Indemnified Party (the "Indemnifying Party") reasonable access to the books and records and employees of the Indemnified Party in connection with the matters for which indemnification is sought hereunder, to the extent the Indemnifying Party reasonably deems necessary in connection with its rights and obligations hereunder.

(b) The Indemnified Party shall assist and cooperate with the Indemnifying Party in the conduct of litigation, the making of settlements and the enforcement of any right of contribution to which the Indemnified Party may be entitled from any Person in connection with the subject matter of any litigation subject to indemnification hereunder. In addition, the Indemnified Party shall, upon the reasonable request by the Indemnifying Party or counsel selected by the Indemnifying Party (with reimbursement of any reasonable fees, wages, costs or expenses incurred by the Indemnified Party or an employee thereof in connection therewith),

attend hearings and trials, assist in the securing and giving of evidence, assist in obtaining the presence or cooperation of witnesses, and make available its own personnel.

12.4. Effect of Investigation or Knowledge.

Any claim for indemnification shall not be adversely affected by any investigation by or opportunity to investigate afforded to a Party, nor shall such a claim be adversely affected by a Party's Knowledge on or before the Closing Date of any breach or inaccuracy of the type specified in this Article XII or of any state of facts that may give rise to such a breach or inaccuracy. The waiver of any condition based on the accuracy of any representation or warranty, or on the performance of or compliance with any covenant or obligation, shall not adversely affect the right to indemnification, payment of Damages or other remedy hereunder based on such representations, warranties, covenants or obligations.

12.5. Survival.

This Article XII shall survive Closing hereunder.

XIII. MISCELLANEOUS

13.1. No Referrals.

(a) No amount paid or service provided pursuant to this Agreement is intended to be, nor shall it be construed to be, an inducement, payment or remuneration for (i) referring an individual to the St. Luke's Entities or their Affiliates, on the one hand, or to any of the Warren Companies, on the other hand, for the furnishing or arranging for the furnishing of any item or service for which payment may be made in whole or in part under a federal or state health care program; or (ii) purchasing, leasing, ordering or arranging for, or recommending purchasing, leasing or ordering, any good, facility, service or item for which payment may be made in whole or in part under a federal or state health care program. The terms of this Agreement do not take into account the value or volume of any referrals, payment for referrals for medical services or any other business generated between the St. Luke's Entities or their Affiliates, on the one hand, and the Warren Companies, on the other hand. The Parties hereto intend that this Agreement shall be applied and construed in a manner that does not create an arrangement that would violate the provisions of the Medicare/Medicaid Anti-kickback Statute, 42 U.S.C. §1320a-7b, Patient Ethics in Referral Act, 42 U.S.C. §1395nn, and any comparable Pennsylvania or New Jersey laws.

(b) The parties recognize that this Agreement is subject to, and agree to comply with, applicable Government Requirements. In accordance therewith, the parties shall perform the duties and obligations hereunder in compliance with, and not in violation of, 42 U.S.C. § 1320a-7b(b) (commonly referred to as the "Anti-Kickback Statute") and 42 U.S.C. § 1395nn (commonly referred to as the "Stark Law"), and all regulations and other guidance related to the Anti-Kickback Statute and the Stark Law. Any provisions of applicable Government Requirements that invalidate any term of this Agreement, or would cause a party to be in violation of the law, shall be deemed to have superseded the terms of this Agreement; provided, however, that the parties hereto shall use their best efforts to accommodate the terms and intent of this Agreement to the greatest extent possible. Within thirty (30) days after the

execution of this Agreement, Warren shall notify St. Luke's if any St. Luke's entity meets the definition of "Covered Persons," as defined in the Corporate Integrity Agreement between Warren Hospital and the Office of the Inspector General of the Department of Health and Human Services, dated as of December 5, 2007, Warren shall provide written notice of such determination to St. Luke's (the "Covered Persons Notice"). Following St. Luke's receipt of such notice, St. Luke's shall either (a) comply with Warren's Corporate Compliance Program, including training related to the Anti-Kickback Statute and the Stark Law; or (b) provide written notice to Warren terminating this Agreement.

13.2. Public Announcements.

Any public announcement or similar publicity with respect to this Agreement, the Transactions, the termination of this Agreement or the failure to close the Transaction will be issued, if at all, at such time and in such manner as the Parties shall mutually agree in writing. Unless consented to by the Parties in advance or required by Legal Requirements, each Party shall keep this Agreement strictly confidential and may not make any disclosure of this Agreement or its terms or conditions to any Person (except to such Party's professionals, including, without limitation, legal, accounting, and consulting professionals). The Parties shall consult with each other concerning the means by which the Warren Companies' employees, patients, physicians, suppliers and others having dealings with the Warren Companies will be informed of the Transaction, and its status as it progresses. Notwithstanding the foregoing, the Warren Entities shall make no statements to the Warren Companies' employees, patients, physicians, suppliers and others having dealings with the Warren Companies without St. Luke's prior consent. The representatives of the St. Luke's Entities shall have the right to have a designated person present for any such communication that occurs in person.

13.3. Confidentiality.

To the extent not inconsistent with this Agreement, the Confidentiality Agreement dated September 29, 2010, as amended, executed by the Parties (the "Confidentiality Agreement") shall continue in full force and effect according to its terms, which are incorporated herein by reference as if set forth in their entirety. Except as permitted or required by law, each party will not use or disclose patient information in a manner that would violate the requirements of 45 CFR Section 160.504 and 164.506(c) known as HIPAA Privacy and Security Standards contained in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA Act") and the requirements and regulations pursuant to the Federal Health Information Technology for Economic and Clinical Health Act (the "HITECH Act") which are incorporated herein by reference. In addition, each party expressly agrees to comply with the HIPAA Act and the HITECH Act in all respects, including the implementation of all necessary safeguards to prevent such disclosure and the assurance that any subcontractors or agents to whom either party provided protected health information agree to the same restrictions and conditions imposed on the parties hereto under the HIPAA Act and the HITECH Act.

13.4. Cooperation; Further Assurances.

Each Party agrees to cooperate fully with the other Parties to carry out the Transaction, shall use its reasonable efforts to cause satisfaction of the conditions to consummation of the

Transaction, and shall refrain from any actions inconsistent with this Agreement. Each Party shall, upon request of any of the other Parties, at any time and from time to time, execute, acknowledge, deliver and perform all such further acts, deeds and instruments of further assurance as may be reasonably deemed necessary or advisable to carry out the provisions and intent of this Agreement.

13.5. Binding Effect.

The provisions of this Agreement shall extend to, bind and inure to the benefit of the Parties and their respective successors and assigns as permitted by this Agreement. Notwithstanding anything stated to the contrary in this Agreement, this Agreement is intended solely for the benefit of the Parties and is not intended to, and shall in no way create enforceable third party beneficiary rights.

13.6. Governing Law; Dispute Resolution.

This Agreement shall be deemed to have been made and shall be construed and interpreted in accordance with the internal laws of the Commonwealth of Pennsylvania, without application of its conflicts of laws provisions. In any equitable action for specific performance or injunctive relief, the parties hereby submit to the jurisdiction of the courts of Lehigh County, Commonwealth of Pennsylvania. Except for actions for specific performance or injunctive relief, if a dispute or claim should arise that does not get resolved through negotiation of the parties, the parties shall attempt in good faith to resolve the dispute or claim by mediation administered by the American Health Lawyers Association (AHLA) under its mediation rules, before resorting to arbitration. Either party may initiate mediation by filing a submission to mediation with AHLA. The mediation shall be conducted in Allentown, Pennsylvania. If the matter has not been resolved by mediation within sixty (60) days of the initiation of such procedure, or if either party refuses to participate in the mediation, the controversy shall be resolved by binding arbitration under the Arbitration Rules of the AHLA, by one neutral arbitrator. Either party may initiate arbitration by filing a demand for arbitration with the AHLA and judgment upon the award rendered by the arbitrator may be entered by any court having jurisdiction thereof. The arbitration shall be conducted in Allentown, Pennsylvania. The arbitrator shall be an attorney specializing in business litigation who has at least fifteen (15) years of experience with a law firm of over twenty-five (25) lawyers or was a judge of a court of general jurisdiction. Within thirty (30) days of initiation of arbitration, the parties shall reach agreement upon the arbitrator and the procedures to be followed to assure that the arbitration will be concluded and the award rendered within no more than six (6) months from selection of the arbitrator. Failing such agreement, the AHLA will designate the arbitrator and parties will follow the procedures established by the arbitrator. Each party has the right before or during the arbitration to seek and obtain from the appropriate court provisional remedies such as attachment, preliminary injunction, replevin, or such similar type of equitable remedies, to avoid irreparable harm, maintain the status quo or preserve the subject matter of the arbitration. The arbitration proceedings, together with all discovery made pursuant thereto and statements or documents exchanged by the parties in connection therewith, shall be kept confidential and shall only be used by such parties in connection with the arbitration proceedings. THE ARBITRATOR SHALL NOT AWARD ANY PARTY PUNITIVE OR EXEMPLARY DAMAGES, AND EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT TO

SEEK SUCH DAMAGES. All costs of mediation or arbitration shall be evenly divided between the parties, exclusive of each party's legal fees, each of which shall be borne by the party that incurs them.

13.7. Entire Agreement; Amendment.

This Agreement, the Confidentiality Agreement, the schedules and exhibits attached hereto, and any written amendments to any of the foregoing to be entered into prior to the Effective Date shall constitute the entire agreement of the Parties and supersede all negotiations, the LOI, preliminary agreements and prior or contemporaneous discussions and understandings of the Parties in connection with the subject matter hereof. The Parties specifically acknowledge that in entering into and executing this Agreement, the Parties rely solely upon the representations, warranties, covenants and agreements contained in this Agreement and no others. No changes in or additions to this Agreement shall be recognized unless and until made in writing and signed by all the Parties.

13.8. Assignment.

This Agreement and the rights, title, and interests hereunder shall not be assigned without the prior written consent of the other Parties. Even where such consent is obtained, no such assignment by a Party to this Agreement of its right, title and interest hereunder shall relieve such Party of its obligations hereunder unless the other Parties otherwise agree.

13.9. Waiver.

Any Party may waive the benefit of a term or condition of this Agreement and such waiver shall not be deemed to constitute the waiver of another breach of the same, or any other, term or condition. However, the Parties specifically acknowledge and agree that any Party's execution of this Agreement shall not operate as, or be deemed to be, a waiver of any issue or matter relating to due diligence information requested or provided by the other Parties prior to execution hereof.

13.10. Headings.

The headings in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of any provision of this Agreement.

13.11. Notices; Correspondence; Meetings.

To the extent permitted by all applicable Legal Requirements, each Party shall have the right to review in advance all descriptions of the Transaction which appear in any filing made in connection with the Transaction by the other Parties. Each Party shall promptly notify the other of any communication it or any of its Affiliates receives from any Government Body relating to the Transaction and matters addressed by this Agreement and permit the other Parties to review in advance, to the extent permitted by Legal Requirements, any proposed communication to any Government Body relating thereto. Each Party agrees not to participate in any meeting with any Government Body in respect of any filings, investigation or inquiry unless it consults with the

other in advance and, to the extent permitted by such Government Body, gives the other Parties the opportunity to attend and participate at such meeting.

All notices, demands and requests required to be given or which may be given shall be in writing and shall be deemed to have been properly given (a) if delivered personally, on the date of such delivery, (b) if sent by United States registered or certified mail, return receipt requested, postage prepaid, on the date of delivery as evidenced by such receipt, or (c) upon delivery by Federal Express or a similar overnight courier service which provides evidence of delivery, on the date of delivery as so evidenced, if addressed as follows:

13.13. No Third Party Beneficiaries.

The terms and provisions of this Agreement are intended solely for the benefit of the Parties hereto and their respective successors and permitted assigns and it is not the intention of the Parties to confer, and this Agreement shall not confer, third party beneficiary rights upon any other Person.
